## What is Summer School?

The Summer School of Evangelisation (SSE) is a week-long live-in retreat style experience for young Catholics to enrich their personal understanding of faith, while journeying together as a Christian community.

Through plenary sessions, sharing, praise & worship, lectures and workshops, participants are taken into a deeper experience with God, and develop a vision for making positive social change and for evangelisation.

During the School, participants experience significant personal growth and leave the school with greater zeal for their personal faith journeys, returning ignited with a missionary outlook for their local parishes and ministry.

Every year for the last 30 years, the Disciples of Jesus Covenant Community (DOJCC) have led these Schools across Australia with the help of Missionaries of God's Love (MGL) Sisters, Brothers & Priests..

# Why we are seeking sponsors

The school operates as a not-for-profit event with key note speakers, presenters, ministers and administrators volunteering their time. However, we aim to subsidise the cost of travel, board and lodging.

Often there are attendees from disadvantaged situations that would benefit from attending, and we seek to make funds available so that financial situations are not a barrier to potential participants.

## Sponsor benefits

## OR MAKE US AN OFFER!

If you have a vision for partnership that you don't see represented here, we can work together to personalise one for you.

In the past we've been blessed by in-kind sponsorship from organisations who are not in a position to donate financially, and this has been gratefully received by the team.
